

How Halton Hills is working towards a cleaner and greener future

The Town of Halton Hills has been working towards balancing economic prosperity with a deep commitment to the natural environment. The Town actively recognizes and supports businesses that have taken steps to building a more sustainable future.

GREEN DEVELOPMENT LEADERSHIP AWARDS¹

The GDL Awards celebrate and recognize leadership demonstrated by developments that comply (Award of Achievement) or exceed (Award of Excellence) the minimum point requirements of the Green Development Standards

AWARD OF ACHIEVEMENT

2016 Winners

- Meadows in the Glen by Intracorp Projects
- River Rock Ridge by Remington Homes
- The Chateaus by Fernbrook Homes

AWARD OF EXCELLENCE

2016 Winners

- The Enclaves of Upper Canada by Menkes Developments
- Toronto Premium Outlets Stormwater Management Facility by SmartREIT & Simon Properties
- Georgetown Sterling by Country Homes

SMART COMMUTE PLATINUM DESIGNATION by Metrolinx²

Awarded to outstanding workplaces that demonstrate the highest level of program success.

“This designation demonstrates our **commitment to sustainable travel** options to lower greenhouse gas emissions **through practical actions.**”
 Mayor Rick Bonnette

IMAGINE HALTON HILLS³

“Imagine Halton Hills” is a blueprint to integrate sustainability across the community. It is supported by individual visions of the four pillars:

- Cultural vibrancy
- Economic prosperity
- Environmental health
- Social well-being

COMMUNITY PROFILE

Halton Hills has adopted the use of innovative technology which has reduced energy use:

- Light-emitting diode (LED) lights across 10th Side Rd⁴
- Eco parking lots, Edith St, Georgetown⁵
- Value of solar panel permits is over \$3 million⁶
- Geothermal systems at Halton Hills Library⁶
- 148,000 m² of residential and non-residential building space that comply with Green Development Standards⁸

LEED GOLD CERTIFIED ACTON LIBRARY⁹

The Acton Branch Library is now LEED (Leadership in Energy and Environmental Design) Gold Certified, making it the Town’s **greenest facility.**

LEADING COMPANIES

- T&R Paving
- The Body Shop
- Clipsham Ltd.
- Wastewise
- ISPA
